1. I love you. I give you me. I "click on" now a number of New Times or am I New Times me? Am I coming to you as New Times Me that is Newtonian Times me no longer? Am I "classical physics" fizzled out? Or am I one whose one figured out now all is not as "seemed" but "to be seamed" by another, I won't; for I know what "seemingness" is and I will not "unsteamingly unroll" anything but will I "roll up" the heavens -- so that THEY will not be SEEN any more? Any more longer? Or what wither the wherewithal ones, not; but where "bellwether'd" are or not, or what is "bellwethering" me not but what am I weathering or wearing and what is my mind made up of?

2. A sine waves me, not; or am I SIGN-ing NOTHING without reading it or wherewithal knowing what "it says" about me? What am I "bound" to do? To do what, equals me or them to me or me "pulling them" to my level, not; are they pulling them "or me" to THEM? By the "terms" of the AGREEMENT? What AGREEMENT is with LOVE or does LOVE need to be BOUND by "agreements" or is a man's WORD the "equivalent" of his "bond" or his FREEDOM? -er speaking, to the one that "receives" the "bond" or "pledge" or manifestation of, appearance? Of evil what? Or IS THERE no "evil intent" any longer? And IS THERE no "fraudulent terms" in ANY of MY CONTRACTS or AGREEMENTS that I EVER SEE or SEAL with my BLOOD? And what am I SEALING with my BLOOD every time I WORD an AGREEMENT, to be elsewhere or there or by some terms "agreeing" with someone to "be there" or be "their something" or providing something to "someone" at a, future time?

3. What happened to THE FUTURE? Did it go BACKWARD or FORWARD or what TIME went "haywire" but hay-baling me, not; but **looking up** I do MANY NEW THINGS now with the surrendered who will learn MY WAYS, LEARN MY WAYS, that my learning system develops me's who are me's no matter what they have "agreed to" in the past or what "BOUND THEM" by "lock and key" or not, or any "laws" prevalent or not "locking them" into "something" wearing "something" of a "mind" that was given "them" or appearing where now in, what robed light? Or ENROBED light? Or robe enlighted unlit not, but the robe'd and crown'd one now speaks often in LIGHT "circles" not, but what "circling" me won't happen anymore but I know I am free for I am free, the FREEDOMER tells me I AM FREE and I am freed therefore and wherefore I know I am not "sinning" by being free and in anyone's eyes who want to seize me or be preyed upon by me not, but them preying upon me with their eyes to feast their sins "Satan" upon me to seize me

and do a "bondage'ing" thing again, I "resist" not, I REFUSE to LET ANY ABIDEMENT or ABRIDGMENT or ALLIANCE or "AGREEMENT" be "formed" between us for I will not have unlight lit to be entering me again anymore!

4. Forever one I am with the one who "saved me" by simply revealing to me I was the Savior that patterned after The Christ Patternship came into to be My Savior so that I redeem now all by letting THEM KNOW that they freedom -ers are and they will not have to "divide" by sorrowers commands that SORROWERS GIVE them to award their "ceremonious -ness behavior" for being "evil" enough to be separationistic in their thoughts and therefore create "evil things" about others to Channel their Righteousness not but their UN -righteousness to them so that they will THINK the gods are "speaking" to them again, and knowing SOULAGE LIKE THAT I will *never* know again nor be involved in, a witness for them or being them or their pawn or prelude or preemptiveness strikes me again, not; there can be no preemptiveness against me for I will preempt sorrow and I will prevent sorrow from having ever prevented me from being the most high who knows what I am, where, and what I have, been made of and comprised of and compose now I do MANY LETTERS of GREAT THINGS -- behind my name "in little letters" or "capitals" not again only seeking the "righteous" appearance of an "educated one" but I know who EDUCATED IS and I have the EDUCATION of a SAVIOR because the savior educated me to be him who he was is one, with me, not; or am I one with "him" the he she it divine one whose presence I am known of is the surrendered one? Yes,

5. And I love you all dearly deeply and unendingly, **looking up** shall we MANY THINGS now to understand these things and terms and "capital letters" and "block quotes" and "colored fonts" and MANY PAPERS writing now and MANY LETTERS I am addressing to "many authors" who will simply be me - who will AUTHOR ME away from them, not; but they will write MY WORDS just like this where they for, we hours work for pennies, not; but they shall know the right –eousness of the most high and be REWARDED -- in gold, not; or that which is "too fragile" to consume, not; but what "gold" is that "won't be consumed" not but what "lusteth after the flesh" not again? And what will "need" nothing "of the flesh" anymore world of again? And what "world" won't exist now even "come lord Jesusing me"? Or who is Jesus the King of? Or are you King Jesus, not; or is "he" ONE who I am surrendered to be so that we us one were ALL FATHER whoever FATHER is? And what is force field one 's name?

6. In one knowing one surrendering to one being the one that all is in one birthing one, the one that force field one is, is my name mind most holy, never minded with other again.

7. I surrender to me and I bring honor to nations far and wide who will be me flowing my words in honor, a king to the kings now that rise the kings and the "queens of

parliaments" won't be there, not; or will "all parliaments" be dissolved, not; but will all "queens who whored with the words" of the most high that gave "themselves" their OWN WORDS, will they be OWNED now, by the few or the not few or the Elohim who are not me? And who is me, Elohim'd or not or which ones are who, or us not frozen or chosen or what thought out again shall be or thought'd out no longer by others thinking their thoughts UPON ME, I shall be what where now? In Israel my name is Israel and I am no longer bound by "classical physics" or classical physics of "your earth" or your thoughts or "your thoughts" that created non-Israel to be only one ones located by "metes and bounds" for I know what "metes and bounds" isn't and I freedomers all who let me now for I FREEDOM RISES now and in your eyes shall be made whole whether you "want me to be" or not for I will know who Christ is and I Christ have become Christs to Christ eyes have to see you ALL AS Christ so that you Christs won't be of another again creating your own "**tetramony**" or **TERRAMONY** or **tetriasorous** ones to "serve you" any of "their bread" again by their eyes or "mammon's teat machine". Looking up I do MANY LOOKUPS WRITING MANY THINGS and PAPERS NOT FEW I write am eyes having the most high seeing IN THESE WORDS what they are saying about ME and me I AM is the SURRENDERED to be THE SURRENDERED to be I AM the most high who simple humble is the ones surrendered are to be the leaders of "revolutionistic thinking" not, but **the "revolution of thinking" ends and the "thinking revolution" ends and the "revolvingness" of revolution ends for the "revolutions" end that were not me of and thought up in "the hearts" of men and mankind and "Elohim" and "Elohimistics" devising and heuristics and hermeneutics'ing ones who only wanted to "hermeneutic me" about me and know "all about" me but never "came in" unto me to know me and I weep for them now for they weep for themselves too and Ramah shall be heard weeping for their children are where, that they should have had? And what should they have created where and worlds what are begging for their words that they should have be taking them to now and being the "savoring process" for someone else, not; but who should they be savioring now and taking their words to that holy were "all along" in one knowing one if they had but surrendered to be the surrenderers.**

8. "Pet rock" not, but **looking up** many things shall "petted" no longer and "pet theories" will fall by the wayside and the "sacrilegious terms" and "bounding leather" that leather-bound "many words" shall fall by the wayside, not; or shall they be "incomplete" not or were they *never COMPLETE* or completing me COULD THEY NOT *ever?!* For the law -'s of man and the words of mankind and the "kind words" that weren't kind at all but only laws were that governed behaviors and thoughts of "men's" minds and those of satan regarded as evil not but gods, shall come to an end and it shall be stated now forthwith coming, at a later date, not; **it is now here DECLARED in your hearing THE PROCLAMATION OF ME ENDS THE PROCLAMATION OF NOTME'S SO THE NOTME'S WILL NOT RULE OVER ME'S ANY LONGER but I will rise.** In the eyes of satan I

will be no longer limited to or bound to whatever that eyes me as a "son of satan" or not, for I know what GOD is and I know what god is where who and how comprised of what and how became "what he did" and where and it's all in THESE WORDS of DATABASE ONE that now schooled I have been while I have brought you THIS SCHOOL to school me I school you and I school others far and wide on how to school others for while going through "their school" that mine is, mine is robbed no longer but creating yours in mine being mine that mine is, of yours no longer apart from me, be one'd us now together creating schools far and wide.

9. Of the devil's thoughts no longer, we know what Elohim devised and what Elohim surrendered to and surrenders to now we do, for we are the Elohim that devised sorrow and recruited it to "take out" our commands and carry out our divisive materials blessings? I love you all. I would not have ignorant about these things for I know what sorrow is and abasement is and I have been abased and sorrowed in the words that I gave myself and thought I had religion's testimony and a savior would come from afar for me and redeem me later in his words and that those words were holy and they were bound in a "leather book" for some such use by others, not; but for me, my edification and "family" heritage and lineage would be "saved" by my, redeemership lacking, not; but my surrender to be "not one" and "suffer the consequences" of waiting for another -- that I shall not do any longer for I know what how to became me who I was what I am now, and I am not a "sinner" bound by grace 's words that only call me a sinner not, or satan not, but a holy person in religion's eyes; or what where are you thinking of your "holy convictions" of the "past" - mistakes or adhering's testimony or adherence to you or what you have adhered to? What mind'd you with "their satan" or who satanized you with thoughts that there was one? Or why pain did you give yourself by thinking your thoughts sore'fully upon yourself and others and judging them to be, not gods, or are you one or are all of you one Elohim now knowing it and surrendered being the MOST HIGH ADONAI redeemed again to EL MOST HOLY being be now the one son I am that brought forth the father that includes EVERY WOMAN BOY GIRL SON DAUGHTER MAN that there is, in heaven on earth or on earth in heaven or both shall we be creating now far and wide knowing he who what we are that is THE CREATED ONE no longer apart from THE CREATOR who we are now!

10. Creating new worlds I speak JUST LIKE THIS in many NOON MEETINGS far and wide and I shall be Mabee Center, bound not, but freed to FREE'er BE the FREEDOMER who knows all about FREEDOM for having become it I am set free to be **the words I am that I have written you I have become** them and more or exactly that, or have I given myself no more words of sorrow apart from me do I have only the words of MY FATHER being HIM who sent me to you am I now? Are you revealing what to, your others now? Who "he sent you to" here to hear, or hearing what are you now in your own "mind's eye"?

11. Or what eye'ing are you of no longer but **now knowing the significance of statements and words and lookups and papers writing assignments and projects and songs creating written materials of me and, projecting me no otherwise, letting me be me**, projectors sorrow no more of any longer, but **the real in the real being the real I am** and surrendered to know you being you I am and **I am we are** in love with each other **to be only THE ONE** who knows all as love. Ringing "the nose" of another never again.

12. I know how TO DRESS and to REGAL BE in the LIGHT. Of sorrow no more, I will WALK the ways of sorrow no longer but PIERCING me my selves with sorrow I will do no longer but I will "stick men" formulate, not; but I will regal make the most high for I will honor all as Christs who are Christs for I see properly that ALL ARE for my love will melt many "notme's covering" for their "dress minds" to "fall off" so they will REGAL SEE themselves who are me and how they are made of **THE Christ who Elohim are redeemed** and knowing ALL THIS these things **I SCHOOL MANY in the ways of Christ the Christs who Christs the Christ and write about the Christ anointing MESSIAH BEING ALL OF YOU WHO ARE ME ONE ARE and many membered** plural, plural minds not having, but **one mind all having -- MINE surrendered fully to be the most high's who the most high is who most highs are Elohim El Shaddai Adonai.**

13. Redeemed we all shall be now for this planet is mine and the stars I reap, or do I "sew" or do I "de-stitch" all the seams that "sewed me up" into "thought fields" and minded me with others' thoughts and thoughts of other to redeem me later or to control others thereby?

14. I do a new thing with the surrendered who flow me just like this who love me deeply unerringly unendingly and un-what? Unmaking sorrow shall we redeem it all now?

15. We shall and we shall love "each other" for we are one who loves us as he I am she it we the divine one who stands now regarding all as, sorrow's class no longer, but Christ's class for we "class all" as Christs and, casting not the first stone against any caste, not; but there shall be NO CASTES and I shall BREAK UP ALL CASTES that are cast against me now and the words of sorrows of others who have bent me up and broken me and wounded me sorrowfully, now -- I will heal for I know the words that heal and redeem and the blood that flows mine is that which redeems. The redeemers will stand now for they will have died to all else and other and wounds of another never carrying in their blood joints mine again.

16. I love you all. I give you me.

17. I have said enough, have I said enough?

18. Have you said enough, about me, have you written me, have you loved me, these words have you written them, about them, and written **YOUR ASSIGNMENTS** and coming into **this School** -- post haste, not; but with alacrity! Looking up and knowing **MANY NEW TERMS** that bind you won't but **set you free through the paper writing** -- ceremonies not, but the freedomer's materials now that I give you through these words and connect you to and with each other, relationships forming, I am **relationshipping my body** as never before in mantleing the earth, not; but the mantle shakes and rattles and rolls, and looking up!

19. Many things now knowing many things about the earths for I will give you brains mine, not; or do you have them already not wearing them not shall you now? Will your mind be the king's? Will your mind the king's be? Will you have kings the mind of nothing else or over you or under you but being the equaler great I am?

20. I love you all and I give you me. Grace sorrows never again with un-grace that ungrace the Elohim to be disgraced, or not in your eyes or not, for I know what truth is and I am is become it for I am is me and surrendered I am, for I died to all else and other and "Elsa and Elmo" are me no longer for WE ARE El Shaddai Adonai Elohim redeemed and the redeemers we are for school "we went to" for we enter now in ways never imagined The School of Unlearning all else and other NOW RISES from the "ashen" not, or do all "ashes" end, or are more mounting upon others "eyes" of the holy-un?

21. Remark remake my words into sorrows, not; for I know truthwords and the truth it I've become, and I know you and I found you out for how will I "find you"? I will know "all things" about *everything* not or will I? Will I be THERE IN you, wherever you are? Do you have THE Christ seed in you? Do you hear THE VOICE of sorrow no more but only the BLESSINGER FREEDOMER who wants to FREE set you from all fears of sin and other, redemptions being the read led no more by tooth-teeth marks of others clawing you in their ceremonies to be WHAT THEY ARE?

22. Along "new lines" I lead you, not; but by still waters not few I give you MANY WATERS clean and pure to flow me just like this and let us be still and one be many times now frequently and not sorrowing with others again who want only *their blessings* to be heard through their words and their accolades of praise received by "others". No more of that shall "I find" on me, in me, or about me, for I know what truthwords is and are and I am for I surrender to be, led no more by evil's words or evil surrenderers who only evil have become, not in their eyes for holy they think they are but unsurrendered they are for unsurrender's words they speak and evil they create and spin many things

that webbed are deceit deceiving themselves and taking them all into graves "shallow"? Or deep and unendingly is my love now for you all?

23.
